

Introduction to our fleet...

A Mini Coach...When you have too many passengers for a van, but not nearly enough for a coach, our mini coaches will serve the purpose. Our mini coaches are equipped to comfortably seat from up to 27 passengers with separate luggage compartment. Elegant and comfortable. When your group needs the comfort of space and mobility. Our mini coaches are perfect for the smaller group. Perfect for dine-arounds, sporting events, airport and seaport transfers.
